Negroes Wanted in Hawaii.
Mr. Chas. L. Carter, one of the Hawaiian annexation commission, will soon visit Atlanta, Ga., for the purpose of conferring with leading negroes of the south, looking toward inducing immigration from that race to the Sandwich Islands, says the Washington Star. He says he has the opportunity of giving half a million negroes of the south work on the islands. He seems very much in earnest and paints in glowing pictures the islands and their possibilities for development. He says the negroes would find the climate suitable and would be happy residents with all the privilege of citizenship.

Work equal to the best at San Francisco prices at the GAZETTE Office.

AN EVENING WITH HANDEL.

Mr. English Gives an Illustrated Musical Lecture.

The proportion of seats in Y. M. C. Hall last evening that were empty was a severe reflection on the music-loving part of our community. Mr. English, after a silence of more than two years, gave the moderate audience that attended, a Handel talk of uninterrupted interest. Introducing the subject with a happy illustration of the reproduction of Browning's voice to some of his lovers after death, by the photograph, as typical of the true relation of composers to music lovers, he gave his hearers talk superior to many a more pretentious effort, biographical and analytical. Mr. English is a frank eulogist of Handel. The "Messiah" represents the perfection of musical accomplishment to his mind. A number of amusing anecdotes illustrative of Handel's temper, leavened the talk with humor. Coming into the period of Handel's great production, the lecture was illustrated, illuminated we would rather say by Miss Dale's exquisite rendering of the first and fourth numbers in the programme below, Miss Hopkin's sympathetic rendering of the harmonious blacksmith and Mr. English's own singing of the bass solo, to the writer who heard Miss Dale and Mr. English sing alone for the first time, it had the added charm of a pleasant surprise, for the treat surpassed expectation. Miss Dale's singing of the always soul-inspiring "I know that my Redeemer liveth" will be resound in memory long after Miss Dale has left us. Mr. Rose was heard for the first time by a Honolulu audience but not we hope for the last. Mr. English added to the following programme his very entertaining musical sketch familiar to many in Honolulu, but fresh as ever last evening.

PROGRAMME.

1. Contralto Solo—"Lascia ch'io Pianga"—Rinaldo.

2. Piano Solo—"Harmonious Blacksmith"—Aria with variations.

3. Bass Solo—"Honor and Arms"—Samson.

4. Soprano Solo—"I know that my Redeemer Liveth"—Messiah.

5. Violin Solo—"Largo"—Mr. Rose.

"German Syrup"

Martinsville, N. J., Methodist Parsonage. "My acquaintance with your remedy, Boschee's German Syrup, was made about fourteen years ago, when I contracted a Cold which resulted in a Hoarseness and a Cough which disabled me from filling my pulpit for a number of Sabbaths. After trying a Physician, without obtaining relief—I cannot say now what remedy he prescribed—I saw the advertisement of your remedy and obtained a bottle. I received such quick and permanent help from it that whenever we have had Throat or Bronchial troubles since in our family, Boschee's German Syrup has been our favorite remedy and always with favorable results. I have never hesitated to report my experience of its use to others when I have found them troubled in like manner." Rev. W. H. HAGGARTY, of the Newark, New Jersey, M. E. Conference, April 25, '90.
